Explanation of Terms
You will find terms starting with capital letters throughout your certificate. To help you understand your benefits, most of these terms are defined in the Definitions section of your certificate.

The Schedule
The Schedule is a brief outline of your maximum benefits which may be payable under your insurance. For a full description of each benefit, refer to the appropriate section listed in the Table of Contents.
Special Plan Provisions
When you select a Participating Provider, the cost for medical services provided will be less than when you select a non-Participating Provider. Participating Providers include Physicians, Hospitals and Other Health Care Professionals and Other Health Care Facilities. Consult your Physician Guide for a list of Participating Providers in your area. Participating Providers are committed to providing you and your Dependent appropriate care while lowering medical costs.

Services Available in Conjunction With Your Medical Plan
The following pages describe helpful services available in conjunction with your medical plan. You can access these services by calling the toll-free number shown on the back of your ID card.

Case Management
Case Management is a service provided through a Review Organization, which assists individuals with treatment needs that extend beyond the acute care setting. The goal of Case Management is to ensure that patients receive appropriate care in the most effective setting possible whether at home, as an outpatient, or an inpatient in a Hospital or specialized facility. Should the need for Case Management arise, a Case Management professional will work closely with the patient, his or her family and the attending Physician to determine appropriate treatment options which will best meet the patient's needs and keep costs manageable. The Case Manager will help coordinate the treatment program and arrange for necessary resources. Case Managers are also available to answer questions and provide ongoing support for the family in times of medical crisis.

Case Managers are Registered Nurses (RNs) and other credentialed health care professionals, each trained in a clinical specialty area such as trauma, high risk pregnancy and neonates, oncology, mental health, rehabilitation or general medicine and surgery. A Case Manager trained in the appropriate clinical specialty area will be assigned to you or your Dependent. In addition, Case Managers are supported by a panel of Physician advisors who offer guidance on up-to-date treatment programs and medical technology. While the Case Manager recommends alternate treatment programs and helps coordinate needed resources, the patient's attending Physician remains responsible for the actual medical care.

- You, your dependent or an attending Physician can request Case Management services by calling the toll-free number shown on your ID card. In addition, the Group, a claim office or a utilization review program (see the Pre-Admission Certification (PAC)/Continued Stay Review (CSR) section of your certificate) may refer an individual for Case Management.
- The Review Organization assesses each case to determine whether Case Management is appropriate.
- You or your Dependent are contacted by an assigned Case Manager who explains in detail how the program works. Participation in the program is voluntary - no penalty or benefit reduction is imposed if you do not wish to participate in Case Management.
- Following an initial assessment, the Case Manager works with you, your family and Physician to determine the needs of the patient and to identify what alternate treatment programs are available (for example, in-home medical care in lieu of an extended Hospital convalescence). You are not penalized if the alternate treatment program is not followed.
- The Case Manager arranges for alternate treatment services and supplies, as needed (for example, nursing services or a Hospital bed and other Durable Medical Equipment for the home).
- The Case Manager also acts as a liaison between the insurer, the patient, his or her family and Physician as needed (for example, by helping you to understand a complex medical diagnosis or treatment plan).
- Once the alternate treatment program is in place, the Case Manager continues to manage the case to ensure the treatment program remains appropriate to the patient's needs.

While participation in Case Management is strictly voluntary, Case Management professionals can offer quality, cost-effective treatment alternatives, as well as provide assistance in obtaining needed medical resources and ongoing family support in a time of need.

Additional Programs
We may, from time to time, offer or arrange for various entities to offer discounts, benefits, or other consideration to our members for the purpose of promoting the general health and well-being of our members. We may also arrange for the reimbursement of all or a portion of the cost of services provided by other parties to the Group. Contact us for details regarding any such arrangements.

Important Information
Direct Access to Obstetricians and Gynecologists
You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including
obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit www.cignaenvoy.com or contact customer service at the phone number listed on the back of your ID card.

**Notice Regarding Provider Directory**
You may obtain a listing of Participating Providers who participate in Cigna's dental network without charge by visiting www.cignaenvoy.com or by calling the toll-free telephone number on your ID card.

**How To File Your Claim**
There’s no paperwork for U.S. In-Network care. Just show your identification card and pay your share of the cost, if any; your provider will submit a claim to Cigna for reimbursement. U.S. Out-of-Network and International claims can be submitted by the provider if the provider is able and willing to file on your behalf. If the provider is not submitting on your behalf, you must send your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim form at www.cignaenvoy.com.

**CLAIM REMINDERS**
- BE SURE TO USE YOUR ID AND ACCOUNT NUMBER WHEN YOU FILE CIGNA’S CLAIM FORMS, OR WHEN YOU CALL THE CIGNA SERVICE CENTER.
- YOUR ACCOUNT/GROUP NUMBER IS SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO CIGNA.

**Timely Filing of U.S. Out-of-Network & International Claims**
Cigna will consider claims for coverage under our plans when proof of loss (a claim) is submitted within one year (365 days) for U.S. Out-of-Network and International benefits after services are rendered. If services are rendered on consecutive days, such as for a Hospital Confinement, the limit will be counted from the last date of service. If claims are not submitted within one year for U.S. Out-of-Network and International benefits, the claim will not be considered valid and will be denied.

**WARNING:** Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information; or conceals for the purpose of misleading, information concerning any material fact thereto, commits a fraudulent insurance act.

**Important Information About Your Medical Plan**

Details of your medical benefits are described on the following pages.

**Opportunity to Select a Primary Care Physician**

**Choice of Primary Care Physician:**

This medical plan does not require that you select a Primary Care Physician or obtain a referral from a Primary Care Physician in order to receive all benefits available to you under this medical plan. Notwithstanding, a Primary Care Physician may serve an important role in meeting your health care needs by providing or arranging for medical care for you and your Dependents. For this reason, we encourage the use of Primary Care Physicians and provide you with the opportunity to select a Primary Care Physician from a list provided by Cigna for yourself and your Dependents. If you choose to select a Primary Care Physician, the Primary Care Physician you select for yourself may be different from the Primary Care Physician you select for each of your Dependents.

**Changing Primary Care Physicians:**

You may request a transfer from one Primary Care Physician to another by contacting us at the member services number on your ID card. Any such transfer will be effective on the first day of the month following the month in which the processing of the change request is completed.

In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, you or your Dependent will be notified for the purpose of selecting a new Primary Care Physician, if you choose.
## Open Access Plus Medical Benefits

### The Schedule

#### For You and Your Dependents
Open Access Plus Medical Benefits provide coverage for care in the United States (In & Out-of-Network) and International. To receive Open Access Plus Medical Benefits, you and your Dependents may be required to pay a portion of the Covered Expenses for services and supplies. That portion is the Deductible, Copayment or Coinsurance.

If you are unable to locate an In-Network Provider in your area who can provide you with a service or supply that is covered under this plan, you must call the number on the back of your ID card to obtain authorization for Out-of-Network Provider coverage. If you obtain authorization for services provided by an Out-of-Network Provider, benefits for those services will be covered at the In-Network benefit level.

#### Coinsurance
The term Coinsurance means the percentage of charges for Covered Expenses that an insured person is required to pay under the plan in addition to the Deductible, if any.

#### Copayments/Deductibles
Copayments are expenses to be paid by you or your Dependent for covered services. Deductibles are also expenses to be paid by you or your Dependent. Deductible amounts are separate from and not reduced by Copayments. Copayments and Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached, you need not satisfy any further medical deductible for the rest of that year.

#### Out-of-Pocket Expenses
Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the benefit plan. The following Expenses contribute to the Out-of-Pocket Maximum, and when the Out-of-Pocket Maximum shown in The Schedule is reached, they are payable by the benefit plan at 100%:

- Coinsurance.
- Plan Deductible.
- Copayments.
- U.S. In Network Prescription Drug copayments

Once the Out-of-Pocket Maximum is reached for covered services that apply to the Out-of-Pocket Maximum, any copayments and/or benefit deductibles are no longer required.

The following Out-of-Pocket Expenses and charges do not contribute to the Out-of-Pocket Maximum, and they are not payable by the benefit plan at 100% when the Out-of-Pocket Maximum shown in The Schedule is reached:

- Non-compliance penalties.
- Provider charges in excess of the Maximum Reimbursable Charge.

#### Accumulation of Plan Deductibles and Out-of-Pocket Maximums
Deductibles and Out-of-Pocket Maximums will cross-accumulate between U.S. In-Network, U.S. Out-of-Network and International. All other plan maximums and service-specific maximums (dollar and occurrence) will also cross-accumulate between In-Network, Out-of-Network and International unless otherwise noted.

#### Multiple Surgical Reduction
Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

**Assistant Surgeon and Co-Surgeon Charges**

**Assistant Surgeon**
The maximum amount payable will be limited to charges made by an assistant surgeon that do not exceed a percentage of the surgeon's allowable charge as specified in Cigna Reimbursement Policies. (For purposes of this limitation, allowable charge means the amount payable to the surgeon prior to any reductions due to coinsurance or deductible amounts.)

**Co-Surgeon**
The maximum amount payable for charges made by co-surgeons will be limited to the amount specified in Cigna Reimbursement Policies.
Open Access Plus Medical Benefits

The Schedule

U.S. Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the U.S. In-Network cost-sharing level if services are received from a non-participating (U.S. Out-of-Network) provider.

2. The allowable amount used to determine the Plan’s benefit payment for covered Emergency Services rendered in a U.S. Out-of-Network Hospital, or by a U.S. Out-of-Network provider in a U.S. In-Network Hospital, is the amount agreed to by the U.S. Out-of-Network and Cigna, or if no amount is agreed to, the greater of the following: (i) the median amount negotiated with U.S. In-Network providers for the Emergency Service, excluding any U.S. In-Network copay or coinsurance; (ii) the Maximum Reimbursable Charge; or (iii) the amount payable under the Medicare program, not to exceed the provider’s billed charges.

The member is responsible for applicable U.S. In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is also responsible for all charges that may be made in excess of the allowable amount. If the U.S. Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

Arbitration protections available for services rendered in Delaware – If the Emergency Service is rendered in Delaware, the allowable amount may be based on an agreed-upon or negotiated rate. If the provider and Cigna cannot agree on an allowable amount, Cigna or the provider may request arbitration pursuant to Delaware law. Following arbitration, your cost-share may be recalculated to reflect a reduction or increase in the allowable amount determined by the Arbitrator. The provider may not attempt to collect from you any amount in excess of applicable In-Network cost-sharing amounts based upon the allowable amount.

Prescription Drug Benefits
For You and Your Dependents

Covered Expenses
If you or any one of your Dependents, while insured for Prescription Drug Benefits, incurs expenses for charges made by a Pharmacy, for Medically Necessary Prescription Drugs or Related Supplies ordered by a Physician, Cigna will provide coverage for those expenses as shown in the Schedule. Coverage also includes Medically Necessary Prescription Drugs and Related Supplies dispensed for a prescription issued to you or your Dependents by a licensed dentist for the prevention of infection or pain in conjunction with a dental procedure.

When you or a Dependent is issued a prescription for Medically Necessary Prescription Drugs or Related Supplies as part of the rendering of Emergency Services and that prescription cannot reasonably be filled by a Participating Pharmacy, the prescription will be covered pursuant to the, as applicable, Copayment or Coinsurance for Network Pharmacy.

Limitations
Each Prescription Order or refill shall be limited as follows:

- up to a consecutive 30-day supply at a retail Pharmacy unless limited by the drug manufacturer's packaging; or
- up to a consecutive 90-day supply at a home delivery Pharmacy, unless limited by the drug manufacturer's packaging; or
- to a dosage and/or dispensing limit as determined by the P&T Committee.

Coverage for certain Prescription Drugs and Related Supplies requires your Physician to obtain authorization prior to prescribing. If your Physician wishes to request coverage for Prescription Drugs or Related Supplies for which prior authorization is required, your Physician may call or complete the appropriate prior authorization form and fax it to Cigna to request a prior authorization for coverage of the Prescription Drugs or Related Supplies. Your Physician should make this request before writing the prescription.

If the request is approved, your Physician will receive confirmation. The authorization will be processed in our claim system to allow you to have coverage for those Prescription Drugs or Related Supplies. The length of the authorization will depend on the diagnosis and Prescription Drugs or Related Supplies. When your Physician advises you that coverage for the Prescription Drugs or Related Supplies has been approved, you should contact the Pharmacy to fill the prescription(s).

If the request is denied, your Physician and you will be notified that coverage for the Prescription Drugs or Related Supplies is not authorized. If you disagree with a coverage decision, you may appeal that decision in accordance with the provisions of the policy, by submitting a written request stating why the Prescription Drugs or Related Supplies should be covered.

If you have questions about a specific prior authorization request, you should call Member Services at the toll-free number on the ID card.

All drugs newly approved by the Food and Drug Administration (FDA) are designated as either non-Preferred or non-Prescription Drug List drugs until the P&T Committee clinically evaluates the Prescription Drug for a different designation. Prescription Drugs that represent an advance over available therapy according to the FDA will be reviewed by the P&T Committee within six months after FDA approval. Prescription Drugs that appear to have therapeutic qualities similar to those of an already marketed drug according to the FDA, will not be reviewed by the P&T Committee for at least six months after FDA approval. In the case of compelling clinical data, an ad hoc group will be formed to make an interim decision on the merits of a Prescription Drug.

Your Payments
Coverage for Prescription Drugs and Related Supplies purchased at a Pharmacy is subject to the Copayment or Coinsurance shown in the Schedule, after you have satisfied your Prescription Drug Deductible, if applicable. Please refer to the Schedule for any required Copayments, Coinsurance, Deductibles or Maximums if applicable.

When a treatment regimen contains more than one type of Prescription Drugs which are packaged together for your or your Dependent’s convenience, a Copayment will apply to each Prescription Drug.

Coordination of Benefits
This section applies if you or any one of your Dependents is covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan. For claims incurred within the United States, you should file all claims under each Plan. For claims incurred outside the United States, if you file claims with more than one Plan, you must indicate, at the time of filing a claim under this Plan, that you also have or will be filing your claim under another Plan.

Definitions
For the purposes of this section, the following terms have the meanings set forth below:

Plan
Any of the following that provides benefits or services for medical care or treatment:
• Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
• Coverage under Medicare and other governmental benefits as permitted by law, except Medicaid and Medicare supplement policies.
• Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Closed Panel Plan
A Plan that provides medical benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

Primary Plan
The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

Secondary Plan
A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.
Allowable Expense

A necessary, reasonable and customary service or expense, including deductibles, coinsurance or copayments, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If you are confined to a private Hospital room and no Plan provides coverage for more than a semiprivate room, the difference in cost between a private and semiprivate room is not an Allowable Expense.
- If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

Reasonable Cash Value

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- The Plan that covers you as an enrollee or an member shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or member;
- If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
  - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
  - then, the Plan of the parent with custody of the child;
  - then, the Plan of the spouse of the parent with custody of the child;
  - then, the Plan of the parent not having custody of the child, and
  - finally, the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers you as an active member (or as that member's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired member (or as that member's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active member or retiree (or as that member's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, this paragraph shall not apply.
- If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to Medicare, the benefit determination rules identified above, will be used to determine how benefits will be coordinated.

Effect on the Benefits of This Plan

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans are not more than 100% of the total of all Allowable Expenses.
**Recovery of Excess Benefits**

If Cigna pays charges for benefits that should have been paid by the Primary Plan, or if Cigna pays charges in excess of those for which we are obligated to provide under the Policy, Cigna will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

Cigna will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

**Right to Receive and Release Information**

Cigna, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

**Medicare Eligibles**

Cigna will pay as the Secondary Plan as permitted by the Social Security Act of 1965 as amended for the following:

- (a) a former Employee who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- (b) a former Employee's Dependent, or a former Dependent Spouse, who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- (c) an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Employee is eligible for Medicare due to disability;
- (d) the Dependent of an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Dependent is eligible for Medicare due to disability;
- (e) an Employee or a Dependent of an Employee of an Employer who has fewer than 20 Employees, if that person is eligible for Medicare due to age;
- (f) an Employee, retired Employee, Employee's Dependent or retired Employee's Dependent who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months;

Cigna will assume the amount payable under:

- Part A of Medicare for a person who is eligible for that Part without premium payment, but has not applied, to be the amount he would receive if he had applied.
- Part B of Medicare for a person who is entitled to be enrolled in that Part, but is not, to be the amount he would receive if he were enrolled.
- Part B of Medicare for a person who has entered into a private contract with a provider, to be the amount he would receive in the absence of such private contract.

A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for him.

This reduction will not apply to any Employee and his Dependent or any former Employee and his Dependent unless he is listed under (a) through (f) above.

**Domestic Partners**

Under federal law, the Medicare Secondary Payer Rules do not apply to Domestic Partners covered under a group health plan when Medicare coverage is due to age. Therefore, when Medicare coverage is due to age, Medicare is always the Primary Plan for a person covered as a Domestic Partner, and Cigna is the Secondary Plan. However, when Medicare coverage is due to disability, the Medicare Secondary Payer rules explained above will apply.

**Expenses For Which A Third Party May Be Responsible**

This plan does not cover:

- Expenses incurred by you or your Dependent (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance, or similar type of insurance or coverage. The coverage under this plan is secondary to any automobile no-fault or similar coverage.
Subrogation/Right of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above:

- **Subrogation:** The plan shall, to the extent permitted by law, be subrogated to all rights, claims or interests that a Participant may have against such party and shall automatically have a lien upon the proceeds of any recovery by a Participant from such party to the extent of any benefits paid under the plan. A Participant or his/her representative shall execute such documents as may be required to secure the plan’s subrogation rights.

- **Right of Reimbursement:** The plan is also granted a right of reimbursement from the proceeds of any recovery whether by settlement, judgment, or otherwise. This right of reimbursement is cumulative with and not exclusive of the subrogation right granted in paragraph 1, but only to the extent of the benefits provided by the plan.

Lien of the Plan

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;

- agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;

- agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

Additional Terms

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan’s right to recover shall apply to decedents’, minors’, and incompetent or disabled persons’ settlements or recoveries.

- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.

- The plan’s right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called “Made-Whole Doctrine”, “Rimes Doctrine”, or any other such doctrine purporting to defeat the plan’s recovery rights by allocating the proceeds exclusively to non-medical expense damages.

- No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan’s rights hereunder, specifically; no court costs, attorneys’ fees or other representatives’ fees may be deducted from the plan’s recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called “Fund Doctrine”, “Common Fund Doctrine”, or “Attorney’s Fund Doctrine”.

- The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.

- The plan hereby disavows all equitable defenses in pursuit of its right of recovery. The plan’s subrogation or recovery rights are neither affected nor diminished by equitable defenses.

- In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney’s fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.

- By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

- Participants must assist the plan in pursuing any subrogation or recovery rights by providing requested information.

Payment of Benefits – Medical

Assignment and Payment of Benefits

You may authorize Cigna to pay any healthcare benefits under this policy to a Participating or Non-Participating Provider. When you authorize the payment of your healthcare benefits to a Participating or Non-Participating Provider, you authorize the payment of the entire amount of the benefits due on that claim. If a provider is overpaid because of accepting duplicate payments from you and Cigna, it is the provider’s responsibility to reimburse the overpayment to you. Cigna may pay all healthcare benefits for Covered Services directly through the participating provider, under this policy.
to a Participating Provider without your authorization. You may not interpret or rely upon this discrete authorization or permission to pay any healthcare benefits to a Participating or Non-Participating Provider as the authority to assign any other rights under this policy to any party, including, but not limited to, a provider of healthcare services/items.

Even if the payment of healthcare benefits to a Non-Participating Provider has been authorized by you, Cigna may, at its option, make payment of benefits to you. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the Non-Participating Provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian or the Office of the Public Trustee. If no request for payment has been made by his legal guardian or the Office of the Public Trustee, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

**Recovery of Overpayment**

When an overpayment has been made by Cigna, Cigna will have the right to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment within twenty-four (24) months after the payment is made. The 24 month limit will not apply if there is reasonable belief of fraud, abuse, or other intentional misconduct, or if required by a state or federal government plan. In addition, your acceptance of benefits under this plan and/or assignment of Medical Benefits separately creates an equitable lien by agreement pursuant to which Cigna may seek recovery of any overpayment. You agree that Cigna, in seeking recovery of any overpayment as a contractual right or as an equitable lien by agreement, may pursue the general assets of the person or entity to whom or on whose behalf the overpayment was made.

**Calculation of Covered Expenses**

Cigna, in its discretion, will calculate Covered Expenses following evaluation and validation of all provider billings in accordance with:

- the methodologies in the most recent edition of the Current Procedural terminology.
- the methodologies as reported by generally recognized professionals or publications.
